Part 1. Registration Notice and FAQs

Q1. What information I can get from this document?

As shown in the catalogue, this document is comprised of three parts:

- **Registration Notice and FAQs:** aiming to answer questions that you may have during the registration process.
- **SRS Registration Guidance:** demonstrating the step-by-step procedures of using our registration portal to complete the exam registrations.
- **Information Sheets:** including information like registration timeline, option codes of most available subjects, exam timetable, and exam fee list of different entry stages.

Please go through this document and make sure that you understand and accept the content of this document before you submit registrations. Should you have any questions, please feel free to contact us. Once the payment of your exam application is completed, you are not allowed to modify your registrations. You are responsible for any mistakes of the registrations due to your own reasons.

Q2. Are there any regulations on the ID I use for registration?

British Council only accepts the following identity documents for exam registration and sitting:

- Chinese nationals from mainland China can register with a valid and current 2nd-generation national ID card or passport.
- Chinese nationals from Hong Kong and Macau can register with a valid and current ID card, passport or Hong Kong and Macau Residents' Residence Permit.
- Chinese nationals from Taiwan can only register with a valid and current Mainland Travel Permit for Taiwan Residents of China or Taiwan Residents' Residence Permit.
- Foreign nationals can register with a valid and current passport.

* Please use the correct and valid ID document for registration. Candidates must bring the identification document used for registration to attend the exams.

*British Council reserves the right to disallow candidates to take the examination if the identification document does not conform to the regulations.

Q3. Can I register Pearson Edexcel exams at different test centres?

Within the same exam series, candidates can register for exams of different subjects at different centres, but not allowed to register for exams of the same subject at different centres. Please also note that if you register for exams at different centres within the same exam series, it may lead to problems such as failure to rearrange timetable clash or to accurately carry forward results from this session. Thus, registering for all exams at one test centre is highly recommended.

Q4. What happens when there are timetable clashes between Pearson Edexcel exams and other exams I register?

- For timetable clash between multiple subjects of Pearson Edexcel exams registered at our centre, we will make re-arrangement accordingly. Candidates should refer to the Confirmation Letter for the final timetable.

If there is any timetable clash between two exams, one of them will be rescheduled for a different time on the same date. Candidates sitting these two exams will be under full centre supervision between exams, during which time they will not be permitted to use mobile phones nor any other electronic devices or communicate with the other candidates.

- We are unable to make any rearrangement for timetable clash between Pearson Edexcel exams registered at our centre and other exams (e.g. Cambridge International). Candidates should avoid any timetable clash before registering for exams.

Q5. Can I apply for Access Arrangements due to my disadvantaged health conditions?

Candidates may face barriers to exams if they have a permanent or long-term disability, illness or learning difficulties, or a temporary disability or illness. Access arrangements are pre-exam arrangements that allow candidates to access the assessment and remove unnecessary barriers.

Candidate who has demands in this regard, please contact us for more details as early as possible and provide required evidence when applying for Access Arrangements.

Deadline for application: Please refer to the Information Sheets.

* Candidates must send us access arrangements application for each exam series. We cannot carry over the approval from previous exam series.

Q6. Will my exam fee be refunded if I would like to cancel my exam registrations?

According to the refund policy, applicant who submits a refund request that meets the refund conditions and provides valid evidences with the official seal before the deadline is entitled to receive the refund that is in accordance with the refund standard once the refund request is approved.

- Deadline for Refund Application: **Before the deadline of late entry stage (deadline of late entry stage can be found on Information Sheets)**
- Acceptable Refund Conditions:
 - Condition 1: Temporary physical or mental illness (permanent or long-term illness is not acceptable)
 - Condition 2: Time clash with school exams or other official exams
- Evidences Required :
 - Condition 1: Evidence can be a medical report or accident report (or similar), which should be issued by an authorised body. The report should include both the signature of the doctor or professional and stamp of the institution as well as indicate how the situation prohibits the candidate from taking the exam on the scheduled date.
 - Condition 2: The evidence can be the statement with the official seal of the school or the confirmation letter of the official exams.
- Refund Standard:
 - Once the refund application is approved, the applicant can receive 150 CNY for each unit.
 - For International GCSE exams, candidates can only apply for cancellation by option (e.g., 4CN1), not by unit (e.g., 4CN1/01)

Refund applications out of other conditions are not acceptable. You can contact us to get more details.

Q7. Can I transfer my registrations to other exam centres after I finish the payment?

- Deadline for application: **Before the deadline of late entry stage (deadline of late entry stage can be found on Information Sheets)**
- The principle of transfer: Candidates cannot transfer to another centre for specific syllabuses or components. They can only transfer for all their assessments in an exam series.
- Transfer between exam centres may incur extra payment. Please contact us for more details.

Q8: What is Unique Candidate Identifier (UCI)?

A unique candidate identifier (UCI) is a reference that's unique to a candidate and lasts for the duration of their study career. It's used to aggregate unit results for modular exams. Without it, candidates may not be given their full results. It can be found in the Statement of Entry and the Provisional Statement of Results. For the first time test taker, the UCI will be created by the centre and please input "NA" in UCI section in the registration system. While for the other candidates, please keep using the previous UCI in all the exam session.

***The Pearson Edexcel and OxfordAQA exam have their own UCI number. You must fill in the correct UCI number in the registration.**

Q9. What is Cash-in of Pearson Edexcel International A/AS Level exams?

The cash-in process is used to aggregate the candidate's unit scores to obtain the overall grade for the qualification. No grade can be issued unless the appropriate cash-in code is entered.

*** It is strongly recommended that you to submit the Cash-in code during the exam application. You can receive a new grade once you retake the unsatisfied unit and submit the Cash-in code again in the future exam session. The late Cash-in request after the result release will charge you additional fee and it may affect your university application as it takes at least 10 working day to process.**

For the general cash-in rule, the exam board will maximize the qualification grades automatically. For more details about cash-in rule, please refer to the official information below:

<https://qualifications.pearson.com/content/dam/pdf/Support/unit-aggregation-and-certification-cash-in-rules.pdf>

For cash-in rules for mathematics, please check the following link. If you have cashed in Math AS level in previous sessions and would like to cash-in Math A Level in the current session, we recommend that you submit the cash-in code for both AS and A Level in the current session.

<https://qualifications.pearson.com/content/dam/pdf/International%20Advanced%20Level/Mathematics/2018/Teaching-and-Learning-Materials/Aggregation-Rules-and-Guidance.pdf>

Q10: Are my Pearson Edexcel results of each unit and qualification only valid for a set number of years?

All the results and qualifications remain valid.

Q11: Will the statement of results and certificate show all my pervious results?

Only the score of each unit registered in current session, the grades of AS/A-Level and the score of each unit cashed in to AS/A-Level will be displayed on the Candidate Provisional Statement of Results. If you are absent, the "X" is displayed only which indicates no result. As to the certification, it only displays your final grade of certain subject awarded in the current session.

Part 2. SRS Registration System Guidance

The Schools Registration Systems (SRS) is the online registration platform offered to private candidates (over 18) and parents/guardians of minor candidates (under 18) to support them to complete their registration journey to register for Cambridge International exams, Pearson Edexcel exams and OxfordAQA exams with the British Council. The registration journey may differ according to countries based on each country's local context and regulations.

Step 01: Log on

- Please access the webpage: <https://school exams.britishcouncil.org> through the Google Chrome
- Select the country “China” from the drop-down list and Continue

The screenshot shows the top navigation bar with the British Council logo, 'Schools | China', and links for 'Log in' and 'Sign up'. Below the navigation bar is a 'Change country/territory' button. The main content area has a heading 'Welcome to the British Council school exams registration site' and a message: 'To get started please select your country/territory from the list below'. There is a 'Notice' section stating that the British Council takes no responsibility for what subjects/papers candidates register for. Below the notice is a search bar with 'China' entered and a 'Continue' button.

Step 02: Log in or sign up

- Click Log in
- **Existing Customer:**

Attention: 1. IAS Further Maths cannot be certificated unless IAS Maths has been certificated, or is being concurrently certificated! 2. IAL Further Maths cannot be certificated unless IAL Maths has been certificated, or is being concurrently certificated! 3. A unit could only be entered for cash-in of one Math subject (Maths, Further Maths, or Pure Maths). 请注意: 1. 如果要申请IAS Further Maths的合并成绩, 必须确保IAS Maths成绩已经被合并, 或者同时合并。 2. 如果要申请IAL Further Maths的合并成绩, 必须确保IAL Maths成绩已经被合并, 或者同时合并。 3. 一个单元只能用于合并一个数学科目 (Maths, Further Maths, 或者Pure Maths) 。			For more information about Math Cash-in, please refer to this link -> 数学科目合并成绩详情, 请查询此链接 ->

It is strongly recommended that you to submit the Cash-in code during the exam application. You can receive a new grade once you retake the unsatisfied unit and submit the Cash-in code again in the future exam session. The late Cash-in request after the result release will charge you additional fee and it may affect your university application as it takes at least 10 working day to process.

我们强烈建议您在报名考试的同时申请Cash-in，如对Cash-in之后的总成绩不满意，考生仍可在未来考季重新申请Cash-in。成绩公布后申请Late Cash-in将产生额外费用，并至少花费10个工作日以上的时间，可能对您的大学申请产生影响。
